

THE ENVIRONMENTAL COMPLIANCE EXPERTS

Unlike many engineering firms, NGE has an established **Environmental Compliance** practice that focuses **SOLELY** on environmental compliance.

SPOTLIGHT

NGE is proudly 100% employee-owned. As employee-owners, NGE's staff are dedicated to providing clients with personalized, technically exceptional services. This results in high client retention rates and continued increases in company value, positively impacting our employee-owners and clients.

GET PROACTIVE

- ✓ As you prepare for upcoming environmental obligations, let NGE serve as your environmental expert and help reduce your facilities' environmental risk and liability.
- ✓ Reach out to NGE TODAY for a complimentary consultation or to assist you with future budgeting for anticipated external needs.

Amy Veltri
